5nd MEETING

10th-15th March 2019, Oradea, Romania

Sunday, 10 March

The arrival of all the partners in Oradea .

The group of participants consists of teachers and students from Austria, Italy, Germany, Poland and Bulgaria.

In Oradea students were welcomed by their hosting families and teachers were hosted in a hotel.

Monday, 11 March

Welcome at the school. A lot of activities were organized for that morning:

- School tour: 2 students did a tour through the school for students and teachers
- Ice-breaking activities
- Workshop (students) : Tips on how to get a job

Special guest: HR recruiter

The workshop activities, done under the supervision of a specialist in human resources were meant to inform students on important aspects that employers are after when looking for a potential employee.

Activities done by the teachers:

- The project coordinator gave the agenda for the next days, plans and arrangements for the coming day
- Progress analysis /implementation of the project

As a choice to spend the free time in the afternoon , the teachers are recommended the Tour of the city centre and Main street-Corso.

Tuesday, 12 March

In the first part of the day, the students take part in the workshop entitled: Europass CV.

Under the guidance of Speciality teachers and an English teacher , the students learn how to fill in a Europass CV. They are offered all the necessary information and are supported all through the entire activity.

At the end of the workshop, all students can complete a Europass CV and are aware of all important aspects about getting a job from the point of view of an employer.

The second activity organized for the students in the same day is another workshop: making a poster about a future job, "My future job".

The students have to work in teams , having at their disposal any school supplies they need in order to design the poster on this theme.

The posters are exhibited and each student has to explain in a short speech their option about the future job.

Meanwhile, the teachers debate on the competences they need to have in order to support the students to integrate into the labour market.

The teachers take turns in presenting the different situations for each country, the efforts made in this respect, the amount of time each school assigns to professional training.

Wednesday, 13 March

The teachers and the students from the 6 partner countries have visited Bihor county's surroundings and the rural area.

The touristic attractions that were included on the agenda are the Bear's Cave and the ethnographical Museum "La Fluturi".

The lunch was served at “Laura” pension and included traditional Romanian dishes from this area.

Thursday, 14 March

On Thursday, in the first part of the day , students learn how to write a letter of application:

What is a letter of application? When is it needed? Which is the structure of such a piece of writing?
What are the aspects they need to take into account?

Students are guided and assisted both by teachers of Economics and English teachers.

In the meantime the teachers discuss about different aspects of implementing the project: to what extent the objectives of the project have been met up to this point, the stage in making the finite products, the way of completing the information in the Mobility Tool in order to write the final report.

In the second part of the day , in the school's club, there were held the most important activities of this mobility: there were presented the films created by the students with regards to the correct Interview.

Therefore, the students from each partner school developed the scenario/script, interpreted the roles, and made a movie about the Interview theme.

Each of the films /act presented was really appreciated and received applause.

Friday, 15 March

The last day activities were:

- The evaluation of the activities.
- The students filled in the feed-back questionnaire.
- The teachers discussed about the next mobility: Austria – date of meeting and clarification of activities, arrangements, presentations, costs etc
