

Title of the project: Education&Economy& Hand in Hand

Reference number of the project: 2017-1-DE03-KA219-035531

Evaluation of the project meeting (Activity C2) February 18 – 23 2018, Kardzhali, Bulgaria

The results of our evaluation:

- The cooperation with all partners during the meeting was rated excellent
- the communication with the partners in English was without bigger problems
- The given information regarding the different attitudes of local industries was rated very good
- The meeting goals were accomplished. The questionnaire for the companies was finished after the meeting
- REMARK: Because the Austrian team hadn't been able to attend the meeting in Poland, another Mebis presentation took place and was rated mediocre. All other participating countries had tried out Mebis in the meantime and were denying its usefulness
- The cultural part of the meeting was commonly rated as excellent and very informative
- The organization was great and there was enough free time
