

Title of the project: Education&Economy& Hand in Hand
Reference number of the project: 2017-1-DE03-KA219-035531

Evaluation of the project meeting (Activity C4) October 14 – 19 2018, Nocera Umbra, Italy

The results of our evaluation:

- The cooperation between all partners during the meeting worked perfectly
- The communication with the partners in English worked flawlessly
- Innovative forms of presenting CVs and application were regarded as highly interesting. Great potential was seen in new forms like Digital Storytelling. These approaches could bring a crucial advantage regarding job application for all of our students.
- All the participants are going to adopt and to try out forms of digital story telling or digital application forms respectively
- The accompanying students already started drawing drafts and storyboards during their workshop lessons
- The cultural part of the meeting was commonly rated as excellent and very informative
- REMARK: The intense and rich cultural program was generally regarded as extraordinary
- REMARK: The great commitment of so many of our Italian colleges that cared for all participants was generally highly appreciated
